

Galaxy+ GP20FGD Black

Supermarket Multideck Cooler

Product Features

- Only available in Scandinavia, France, UK and the Baltics
- EU Energy Class B
- Can be multiplexed - Create uninterrupted continuous line
- Frameless glass doors for great product visibility
- Adjustable shelves with tilting function
- Heavy duty shelving with strengthening bar
- Ticket strip and acrylic front riser as standard
- Self-closing doors
- Solid 40 mm endwalls with mirrored interior
- Stainless steel bumper bars
- Ventilated cooling
- Multiplexing kit as accessory

Full height doors

Frameless glass doors

Energy efficient multideck cooler with doors

With this full glass door multideck cooler, you get a gorgeous design combined with an energy efficient cooling system. The frameless full vision glass doors allow for great visibility of the products inside. Vertical LED lights run down the inside of each wall, which combined with horizontal LED lighting across the top give excellent illumination and make the contents stand out.

The cabinet comes with 5 shelves (plus base), to maximize storage and display space. The shelves can be tilted to optimize product presentation. Multiplexing kits are available as accessories, so you can create uninterrupted lines throughout your store.

As a result of a carefully designed refrigeration system and optimal airflow through the cooler, this cabinet has an outstanding low energy consumption and an impressive EU energy rating.

Design and Material		Measures and Content		Power and Consumption	
Door No & Type	4 hinged glass doors	Total Display Area	m ² 2.85	Energy Class	B
Tempered glass	Yes	Temperature Range	°C -1 to +5	Energy Consumption	kWh/24h 5.3
Door Reversible	No	Climate Class	3	Annual Energy Cons.	kWh/year 1935
Shelves No & Type	5 adjustable	Gross / Net Weight	kg 470 / 439	Power	1
Shelf Color	Black	Gross / Net Volume	l 2165 / 943	Max Ambient	25°C at 60% RH
