

TFW300-2F

Wine Cooler

119

Product Features

- Frameless glass door
- 2 temperature zones
- Energy efficient cooling system
- Very low noise level
- LED interior light with switch
- Reversible door
- Curved stainless steel handle
- Wooden shelves
- Presentation shelves available as option

Frameless door

Curved handle

Black wine cooler with glass door for an exclusive display

The TFW Frameless Wine Display range is an elegant option for storing and displaying wine bottles. It has a stylish edge to edge glass door and slide out wooden shelves allowing easy access. The white LED lighting showcases the wine bottles nicely against the black interior of the cabinet. In addition to the exclusive design, the wine cooler also has a modern cooling system that reduces the heat, noise and energy consumption of the cabinet.
