Stainless steel storage cooler

The TEFCOLD UR is a classic storage cooler that combines time-tested reliability with a clean design, featuring a practical integrated handle. Ideal for demanding foodservice environments, this refrigerated cabinet comes with adjustable GN2/1 shelves with a remarkable load capacity of up to 25 kg per shelf. The cooler has a durable stainless steel exterior and interior (except for the door, which is white on the backside). The storage fridge has fan-assisted cooling, and the temperature is easy to set on a digital thermostat. The energy efficiency is remarkable and the cabinet has EU energy class A. The UR range is available in various colors and sizes, and you can choose between solid door- or glass door models. See the UF range for freezer options.
