

FOCUS 131

Ice Cream Freezer

Product Features

- Frameless curved sliding lids
- LED interior light with switch
- Includes full set of baskets
- Static cooling
- Castors
- Defrost water drain
- Fan assisted condenser for energy efficiency

Chest freezer with curved sliding glass lids

The focus display freezer offers an elegant, but at the same time, robust design. It has curved sliding glass lids that closes into the grey frame, meaning you get a very airtight lid system. Combined with the great insulation of the freezer, this means a lower energy consumption and less tendency for ice build up.

The display freezer comes with a full set of baskets and the content is beautifully illuminated by LED lighting placed at the front. The Focus freezer is great for branding and as something unique, it is possible to add branding on the grey frame inside the freezer. This is a real eye-catcher.

Last but not least, the glass lid display freezer comes mounted on strong castors, two of which are lockable. This makes it easy to relocate the freezer within your store.

Measures and Content

Temperature Range	°C	-23 to -16
Climate Class		4
Gross / Net Weight	kg	66 / 62
Gross / Net Volume	l	352 / 254

Design and Material

Max No. of Baskets	pcs	5
Castors		Castors
Exterior Finish		White / Grey
Interior Finish		Hammered Aluminium
Interior Light		LED
Lock		No

Cooling and Functions

Type of Controller		Mechanical
Type of Cooling		Static
Type of Defrost		Manual
Refrigerant		R290
Refrigerant Charge	g	80
Thermometer		Yes

Power and Consumption

Energy Class		D
Max Ambient		30°C at 55% RH
Energy Consumption	kWh/24h	1.96
Annual Energy Cons.	kWh/year	716
EEL	%	43.5
Power Supply		13 Amp
Input Power	W	142
Voltage / Frequency	V/Hz	220-240/50

Dimensions

Internal Dimension (WxDxH)	mm	1150 x 500 x 699
External Dimension (WxDxH)	mm	1300 x 650 x 850
Packed Dimension (WxDxH)	mm	1350 x 760 x 880 mm
40ft Container Load	pcs	50

Baskets
